

"I've had the honor to play volleyball at BVU and it has been one of the best decisions I've ever made. I am so blessed by Coach Slight and by my teammates. **We are a family on and off the court.** Along with playing volleyball I am also able to pursue my degree! I thank BVU and Coach Slight for pursuing me, for providing me with an excellent education and for being understanding with student athletes."

"Being an athlete at BVU helped sculpt me into the person that I am today. **All of the lessons learned on the field can be applied to life off the field.** I'll be forever grateful for all the connections that I made with my teammates and coaches, as well as the enhanced teamwork and communication skills, which are important in every aspect of life."

"In my four years at Buena Vista, the women's basketball team has provided me with countless opportunities. **Through each of these experiences, I have developed a carefully shaped skill set, birthed lifelong relationships, and created memories that I will never forget.** I benefit from being a part of our basketball family now, as an athlete, but I know my professional career will also prosper from my experiences during my time at Buena Vista."
